The government concurs with defense counsel (ECF #s 148, 151, and 153) that United States v. Sydni Frazier, Appeal No. 22-4368, which involves a co-defendant whose case was severed from that of the appellants here and then tried separately, shares a common factual basis with Issue I presented in this consolidated appeal. Frazier (Issue IV) also raised unsuccessful post-trial challenges to evidence obtained as a result of search warrant affidavits drafted in whole or in part by a police officer who was later learned to have stolen contraband from a drug seizure in an unrelated case in 2009.
